PRESENTATION :

MAGIA is a beautiful exemplar of GS 50 B&C model, one of the best model of Cantiere del Pardo, made between 2010 and 2013. A unique design and performing hull with a great style gives this model a fine elegance. Magia has ever been very well maintained by his owner, and her conditions are very good. Magia is perfect for very comfortable sailing cruise, but very funny also for club races.

The photoshooting has been done in Monfalcone in September 2022
